

APPENDIX A-111

SPECIAL ITEM CODES (SICs)

1. Number of characters: One.
2. Type of code: Alpha.
3. Explanation: The purpose of this code in the NIR is to indicate that special consideration must be given to this stock number during requisition processing. In some cases, the code is related to the Special Customer Code (appendix A-149) in chapter 47. The combination of special customer/item will cause specific action to be taken during requisition processing.
4. Source: This code is maintained in the NIR via the Item Management Data Change Transaction, DIC ZJM, appendix B-142.
5. The following codes are assigned:
